## 13. Pattaya Entertainment

Pattaya is one of the most well-known destinations for tourists. There are variety places to experience in Pattaya. And we cannot deny that most visitors want to experience a night-life entertainments, especially an adult entertaining areas (surrounded the hotels) which attract many tourists to a pub, bar or massager lounge .

However, this is one of our prime concerns; the Head of Delegation must be tough enough to take control of our young athletes not to do adventure in Pattaya's night entertainment too much.

Spending too much time and money on night entertaining spots is another main issue to be aware of. For safety measure, the OC will do as much as we can to tighten the security for their safety while staying in Pattaya.
